SECTION 3 Student Leadership Candidate Declaration

I understand that Year 11/12 Prefects are determined by the quality of this application and that simply submitting an application does not guarantee a position as a Prefect in Year 11/12.

I acknowledge that if elected I will be required to fulfil a variety of duties throughout the year, both in and out of school time, and should I not perform to expectations, I may have the position revoked.

I acknowledge that in the event that not all student leadership positions are filled by Year 12 students, the opportunity to fill vacant leadership positions will be given to Year 11 students, particularly those who are applying for Prefecture positions.
