

## Year 7 Information Communication and Technologies Learning & Assessment Overview 2020

One term rotation throughout year

### ICT 07.01

#### That's what I like

You are to select an interest or hobby to be the basis of your study this term. You will learn the basic computing skills including ICT protocols, touch typing, emailing, internet safety, and Microsoft applications (Word, Excel, PowerPoint, Publisher and One Drive). You will submit four (4) documents based on your hobby/interest as part of your folio to demonstrate your ICT skills learned during the unit.
