

School Uniform

The Atherton High community supports a student dress code policy and school uniform as it promotes the objectives of the Education (General Provisions) Act 2006. If, on a particular day, students cannot wear the full correct uniform, a note from parents or carer explaining the reason for the incorrect uniform must be presented to the student services counter before school and replacement clothing will be issued by the office. The student's clothing will be retained by the office and returned at 3pm in exchange for the borrowed uniform.

Further information regarding our uniform policy can be found on our website.
